FFA JACKET SPECIAL PROJECT

There is nothing like a great fit. Be it a new pair of shoes, the right song playing at the right time, or the connection you make with others through a great organization, the right fit is important and memorable! The Blue Jackets Bright Futures essay contest is all about making the right fit. Through this program the ND FFA Foundation is able to outfit our newest ND FFA members with their very own blue corduroy jacket. For just \$74 you can start a ND FFA member on the path to discovering their potential for premiere leadership, personal growth, and career success all while learning to advocate for the agriculture industry.
