

STAR PARTNER PROGRAM

Learning to Do, Doing to Learn,
Earning to Live, Living to Serve

6,200+ MEMBERS LOOK UP TO YOU

Your partnership directly benefits the next generation of your industry's workforce. Smile knowing your support is directly impacting our youth.

There are 89 chapters in the state of North Dakota which help make up the 6,200+ of active members in our state. Through years of development and improvement of our foundation, you can count on nearly every dollar of your gift going directly to these programs, these towns, these communities and these students right here in North Dakota.

Disclaimer: Funds received through the ND FFA Foundation will be used to meet the costs associated with the mission of the ND FFA Foundation. Any funds raised in excess of special projects, convention or conference costs will be used to accomplish the mission and goals of the ND FFA Foundation. The mission of the ND FFA Foundation is to support the leadership opportunities and activities of the FFA and agriculture education. The goals of the ND FFA Foundation are to support leadership, citizenship, and cooperative experience for FFA members; to advance opportunities for participation in local, district, state, regional, and national FFA activities, to generate funding for FFA programs, activities, and awards for FFA members; to manage investment funds; to provide publicity and public awareness of the FFA; to build partnerships between the FFA and the public sector; to cooperate with the ND Agriculture Education teachers and the ND FFA Alumni to promote activities that will benefit FFA members; and to provide an annual report.

PARTNERING WITH US MEANS PARTNERING WITH FRIENDS

Your return-on-investment is important to us. Teaming up with the FFA, means partnering with our brothers and sisters of agricultural education.

TEAM AG ED

ND Team Ag Ed is a cooperative formed by the members below with the mission to promote, grow, and enhance all forms of agricultural education throughout the state. More than 7,000 members, alumni, college students and ND Farm Business Management clients benefit from their work annually.

NORTH DAKOTA FFA ASSOCIATION

At more than 5,000 members (and growing), the FFA develops leadership skills in our youth through career development events (CDEs), conferences, and hands-on learning through supervised agricultural experience programs (SAE) where students are self-employed or hired to work in related industries.

NORTH DAKOTA FFA FOUNDATION

“Our mission is to support leadership opportunities and activities of the ND FFA and agricultural education. We are supported by more than 700 partners and sponsors who recognize our work and effort as a wise investment in North Dakota and this industry’s future.”

NORTH DAKOTA ASSOCIATION OF AGRICULTURAL EDUCATORS

This professional organization of over 100 agricultural education teachers works on the promotion, expansion and growth of all levels of education in agriculture.

ND FFA ALUMNI ASSOCIATION

Alumni members around the state work to organize support for their local programs. Nearly 500 members, through our state’s Alumni program, assist with FFA activities and serve as a resource to aid the local FFA chapters.

AGRICULTURAL EDUCATION AT NORTH DAKOTA STATE UNIVERSITY

NDSU is the only institution of higher education in the state training our next crop of agricultural education instructors. This program is under the NDSU Department of Education and has seen significant growth in recruitment over the past five years.

ND FARM BUSINESS MANAGEMENT EDUCATION

The ND Farm Business Management Program is designed to provide farm management education to farm owners and operators. They do this by assisting clients in meeting their business and personal goals. More than 1,000 producers are enrolled in the program.

The National FFA organization is a premier youth organization for leadership. Students gain interpersonal skills that last them a lifetime. This organization provides activities and events that promote character building in many competitive areas in agriculture. Often times, students that were involved in the FFA go on to become leaders in their community and utilize the training and skills gained in the FFA to become outstanding contributors to all sectors of society. Farm Credit Services of Mandan is proud to be a major sponsor of the FFA now and into the future.

THANK YOU FROM OUR DIRECTOR

The strength of the ND FFA and ND FFA Foundation relies on the dedication of individuals and business and industry leaders like yourself. The vast opportunities the Star Partner program have provided and continue to provide ND Team Ag Ed have been amazing. From an increase in the recruitment and retention of our agricultural education instructors, to an increase in overall FFA membership, we are growing! Star Partners are the backbone of this growth. If you value agriculture as an industry and believe in investing in organizations dedicated to this growth, then the ND FFA Foundation would love to call you a Partner. Contact Beth today and let's discuss what this partnership can be!

Program Guidelines and Contingencies: The ND FFA Foundation Star Partner Program is designed to encourage optimum promotion of your support of the ND FFA program and Team Ag Ed. To assist in helping us reach the promotional strategies of the program we ask all rules, guidelines, and requirements for usage of the FFA logo, emblem, and marks are at the direction of the FD FFA Association as outlined by National FFA policies and procedures for the period of our agreement.
