CONFLICT OF INTEREST

PURPOSE

The purpose of the conflict-of-interest policy is to protect this tax-exempt Corporation's interest when it is contemplating entering into a transaction or arrangement that might benefit the private interest of an officer or director of the Organization or might result in a possible excess benefit transaction. This policy is intended to supplement but not replace any applicable state and federal laws governing conflict of interest applicable to nonprofit and charitable organizations.

DEFINITIONS

A. Interested Person

- Any director, principal officer, or member of a committee with governing board delegated powers, who has a direct or indirect financial interest, as defined below, is an interested person.

B. Financial Interest

- A person has a financial interest if the person has, directly or indirectly, through business, investment of family:
 - a. An ownership or investment interest in any entity with which the Organization has a transaction or arrangement, or
 - b. A compensation arrangement with the Organization or with any entity or individual with which the organization has a transaction or arrangement, or
 - c. A potential ownership or investment interest in, or compensation arrangement with, any entity or individual with which the Organization is negotiating a transaction or arrangement.

*Compensation includes direct and indirect remuneration as well as gifts or favors that are not insubstantial.

*A financial interest is not necessarily a conflict of interest. Under Article III, Section 2, a person who has a financial interest may have a conflict of interest only if the appropriate governing board or committee decides that a conflict-of-interest exists.

PROCEDURES

A. Duty to Disclose:

- In connection with any actual or possible conflict of interest, an interested person must disclose the existence of the financial interest and be given the opportunity to disclose all material facts to the directors and members of committees with governing board delegated powers considering the proposed transaction or arrangement.

B. Determining Whether a Conflict of Interest Exists:

- After disclosure of the financial interest and all material facts, and after any discussion with the interest person, he/she shall leave the governing board or committee meeting while the determination of a conflict of interest is discussed and voted upon. The remaining board or committee members shall decide if a conflict of interest exists.

C. Procedures for Addressing the Conflict of Interest:

- An interested person may make a presentation at the governing board or committee meeting, but after the presentation, he/she shall leave the meeting during the discussion of, and the vote on, the transaction or arrangement involving the possible conflict of interest.
- The chairperson of the governing board or committee shall, if appropriate, appoint a disinterested person or committee to investigate alternatives to the proposed transaction or arrangement.
- After exercising due diligence, the governing board or committee shall determine whether the Organization can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest.

- If a more advantageous transaction or arrangement is not reasonably possible under circumstances not producing a conflict of interest, the governing board or committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in the Organization's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.
- D. Violations of the Conflict-of-Interest Policy:
- If the governing board or committee has reasonable cause to believe a member has failed to disclose actual or possible conflicts of interest, it shall inform the member of the basis for such belief and afford the member an opportunity to explain the alleged failure to disclose.
 - If, after hearing the member's response and after making further investigation as warranted by the circumstances, the governing board or committee determines the member has failed to disclose an actual or possible conflict of interest, it shall take appropriate disciplinary and corrective action.

RECORDS OF PROCEEDINGS

*The minutes of the governing board and all committees with board delegated powers shall contain:

- A. The names of the persons who disclosed or otherwise were found to have a financial interest in connection with an actual or possible conflict of interest, the nature of the financial interest, any action taken to determine whether a conflict of interest was present, and the governing boards or committee's decision as to whether a conflict of interest in fact existed.
- B. The names of the persons who were present for discussions and votes relating to the transaction or arrangement, the content of the discussion, including any alternatives to the proposed transaction or arrangement, and a record of any votes taken in connection with the proceedings.

COMPENSATION

- B. A voting member of any committee whose jurisdiction includes compensation matters and who receives compensation, directly or indirectly, from the Organization for services is precluded from voting on matters pertaining to that member's compensation.
- C. - A. Has received a copy of the conflict-of-interest policy,
- B. Has read and understands the policy,
- C. Has agreed to comply with the policy, and
- D. Understands the Organization is charitable and in order to maintain its federal tax exemption it must engage primarily in activities which accomplish one or more of its tax-exempt purposes.

PERIODIC REVIEWS

To ensure the Organization operates in a manner consistent with charitable purposes and does not engage in activities that could jeopardize its tax-exempt status, periodic reviews shall be conducted. The periodic reviews shall, at a minimum, include the following subjects:

- A. Whether compensation arrangements and benefits are reasonable, based on competent survey information and the result of arm's length bargaining.
- B. Whether partnerships, joint ventures, and arrangements with management organizations conform to the Organization's written policies, are properly recorded, reflect reasonable investment or payments for goods and services, further charitable purposes and do not result in inurement, impermissible private benefit or in an excess benefit transaction.

USE OF OUTSIDE EXPERTS

When conducting the periodic reviews, the Organization may, but not need to, use outside advisors. If outside experts are used, their use shall not relieve the governing board of its responsibility for ensuring periodic reviews are conducted.

GIFT ACCEPTANCE POLICY

In accepting gifts, bequests, and devises, it is the intention that the Directors will manage the affairs in such a manner so as to comply with the meaning of the terms and limitations of the Articles of Incorporation and By-Laws so that such actions will not jeopardize the federal income tax exemption of this Corporation pursuant to the provisions of Sec. 501 (c) (3) of the Internal Revenue Code of 1954 as now in force or as may be amended.

- A. Procedures for accepting gifts and establishing funds, including any necessary approvals.

WHISTLEBLOWER POLICY

GENERAL

The ND FFA Foundation expects its directors, officers, employees, and other representatives to observe high standards of business and personal ethics in the conduct of their duties and responsibilities. As employees and representatives of the ND FFA Foundation, we must practice honesty and integrity in fulfilling our responsibilities and comply with all applicable laws and regulations.

REPORTING RESPONSIBILITY

It is the responsibility of all directors, officers, and employees to report Wrongful Conduct in accordance with this Whistleblower Policy.

WRONGFUL CONDUCT

"Wrongful Conduct" is defined in this Whistleblower Policy to include: a serious violation of ND FFA Foundation policy; a violation of applicable state and federal law; or the use of the ND FFA Foundation property, resources, or authority for personal gain or other non-organization related purpose except as provided under ND FFA Foundation policy.

This definition of Wrongful Conduct is not intended to be an exclusive listing of the illegal or improper activity encompassed by the Whistleblower Policy. Rather, the Whistleblower Policy is intended to serve as a means of reporting all serious improprieties that potentially impact the integrity and effective operation of the ND FFA Foundation.

NO RETALIATION

No director, officer, or employee who in good faith reports Wrongful Conduct will suffer harassment, retaliation, or adverse employment consequence. Any director, officer, or employee who retaliates against anyone who has reported Wrongful Conduct in good faith is subject to discipline up to and including termination of employment or removal from the board of directors, as applicable. This Whistleblower Policy is intended to encourage and enable employees and others to raise serious concerns within the ND FFA Foundation prior to seeking resolution outside ND FFA Foundation.

REPORTING WRONGFUL CONDUCT

The ND FFA Foundation encourages its directors, officers, and employees to share their questions, concerns, suggestions, or complaints with someone who can address them properly. Any director, officer, or employee may report Wrongful Conduct to the Executive Director or the president of the board of directors. If the Wrongful Conduct implicates one or both Executive Director or the president of the board of directors, or if the reporting individual is not comfortable speaking with or not satisfied with response of the foregoing individuals, the issue may be reported to any member of the board of directors. The Executive Director, president of the board of directors, and all members of the board of directors to whom a report of Wrongful Conduct is made are required to immediately advise the full board of directors of such report of Wrongful Conduct.

ACTING IN GOOD FAITH

Anyone filing a complaint of Wrongful Conduct must be acting in good faith and have reasonable grounds for believing the information disclosed indicates Wrongful Conduct. Any allegations that prove not to be substantiated and which prove to have been made maliciously or knowingly to be false will be viewed as a serious disciplinary offense.

CONFIDELITY

Reports of Wrongful Conduct or suspected Wrongful Conduct may be submitted on a confidential basis by the complainant or may be submitted anonymously. Reports of Wrongful Conduct or suspected Wrongful Conduct will be kept confidential to the extent possible, consistent with the need to conduct an adequate investigation.

HANDLING OF REPORTED WRONGFUL CONDUCT

A representative of the board of directors will notify the sender and acknowledge receipt of the reported Wrongful Conduct or suspected Wrongful Conduct within five business days, unless such report was submitted anonymously.
