Growing Leaders
Building Communities
Strengthening Agriculture

7,500+ MEMBERS LOOK UP TO YOU

Your partnership directly benefits the next generation of your industry's workforce. Smile knowing your support is directly impacting our youth.

Two in nine North Dakota high school students sport the iconic blue corduroy jackets that mark them as FFA members, that's 7,500 in 2025, making it the largest student organization in the state. Leading them are 120 dedicated Ag educators and together, they make up 96 FFA Chapters throughout North Dakota. Support from organizations like yours is critical to the success of our mission to grow leaders, build communities, and strengthen agriculture.

Disclaimer: Funds received through the ND FFA Foundation will be used to meet the costs associated with the mission of the ND FFA Foundation. Any funds raised in excess of special projects, convention or conference costs will be used to accomplish the mission and goals of the ND FFA Foundation. The mission of the ND FFA Foundation is to support the leadership opportunities and activities of the FFA and agriculture education. The goals of the ND FFA Foundation are to support leadership, citizenship, and cooperative experience for FFA members; to advance opportunities for participation in local, district, state, regional, and national FFA activities, to generate funding for FFA programs, activities, and awards for FFA members; to manage investment funds; to provide publicity and public awareness of the FFA; to build partnerships between the FFA and the public sector; to cooperate with the ND Agriculture Education teachers and the ND FFA Alumni to promote activities that will benefit FFA members; and to provide an annual report.

PARTNERING WITH US MEANS PARTNERING WITH FRIENDS

Maximizing your return-on-investment is important to us. By teaming up with the FFA, you are partnering with all of Team Ag Ed, expanding your reach.

TEAM AG ED

ND Team Ag Ed is a cooperative formed by the members below with the mission to promote, grow, and enhance all forms of agricultural education throughout the state. More than 8,000 members, alumni, college students and ND Farm Business Management clients benefit from their work annually.

NORTH DAKOTA
FFA ASSOCIATION

NORTH DAKOTA FFA ASSOCIATION

At more than 7,700 members (and growing), the FFA develops leadership skills through career development events (CDEs), conferences, and hands-on learning through supervised agricultural experience programs (SAE) where students are self-employed or hired to work in related industries.

NORTH DAKOTA
FFA FOUNDATION

NORTH DAKOTA FFA FOUNDATION

Our mission is to support leadership opportunities and activities of the ND FFA Association and agricultural education. We are supported by more than 700 partners, sponsors, or donors who recognize our work as a worthy investment in the future of agriculture in North Dakota.

NORTH DAKOTA FFA
ALUMNI & SUPPORTERS

NORTH DAKOTA FFA ALUMNI ASSOCIATION

Alumni members around the state work to organize support for their local programs. Nearly 500 members, through our state's Alumni program, assist with FFA activities and serve as a resource to aid the local FFA chapters.

NORTH DAKOTA ASSOCIATION OF AGRICULTURAL EDUCATORS

This professional organization of over 100 agricultural education teachers works on the promotion, expansion, and growth of all levels of education in agriculture.

AGRICULTURAL EDUCATION AT NORTH DAKOTA STATE UNIVERSITY

NDSU is the only institution of higher education in the state training our next crop of agricultural education instructors. This program is under the NDSU Department of Education and works to recruit, educate, and retain qualified teaching professionals.

NORTH DAKOTA FARM BUSINESS MANAGEMENT EDUCATION

The ND Farm Business Management Program is designed to provide farm management education to farm owners and operators. They do this by assisting clients in meeting their business and personal goals. More than 1,000 producers are enrolled in the program.

The National FFA organization is a premier youth organization for leadership. Students gain interpersonal skills that last them a lifetime. This organization provides activities and events that promote character building in many competitive areas in agriculture. Often times, students that were involved in the FFA go on to become leaders in their community and utilize the training and skills gained in the FFA to become outstanding contributors to all sectors of society. Farm Credit Services of Mandan is proud to be a major sponsor of the FFA now and into the future.

FROM OUR DIRECTOR

As a former FFA member, I carry a deep appreciation for the influence and impact the FFA program and agricultural education can have on a student. It was a defining period in my life, where I found a passion for the industry and a sense of belonging. It was through FFA that I learned to embrace opportunities—whether it was participating in the Washington Leadership Conference or earning my American Degree at the National FFA Convention. Each experience was a stepping stone in my leadership development, exposing me to diverse perspectives, and honing skills that have proven invaluable over time. Through a Star Partnership with the North Dakota FFA Foundation, you can provide those same opportunities to students and educators across the state.

I believe in the future of agriculture in North Dakota, and with your support, we will continue to provide opportunities that foster the growth and success of our FFA members and your future workforce. Through your Star Partnership, we will work together to build leaders, grow communities, and strengthen agriculture in North Dakota. If you want to make a lasting impact on 8,000+ FFA members, ag students, and teachers each year, I invite you to start the Star Partner conversation today!
